Basis of Accounts Preparation

If you do not trade as a Company then, unless otherwise instructed by you, Fluker Denton Limited will only prepare special purpose financial statements that may be used as a base from which income tax returns can be prepared. Such financial statements may not necessarily comply with New Zealand Generally Accepted Accounting Practice (NZ GAAP).

If you specifically require NZ GAAP accounts, please let us know.

Instructions / Authorisation for Fluker Denton Limited

I/We instruct Fluker Denton Limited to prepare my/our financial statements and/or tax return for the 2023 financial year. I/We undertake to supply all information necessary for this engagement and to be responsible for the accuracy and completeness of such information. Your services are not intended to, and accordingly, will not result in the expression by you of an opinion on the financial statements or tax return insofar as third parties are concerned.

Authorisation to Obtain Information Subject to the Privacy Act

I/we authorise Fluker Denton Limited to communicate with ACC, the appropriate bankers, solicitors, finance companies and other persons or organisations to obtain such further information as you require to complete the above engagement.
